Re: **Request for 2nd Extension of Time to File Construction Permit Application**  
Station WBVV(FM), Guntown (formerly Booneville), Mississippi  
Facility Identifier Number: 71214  
MB Docket No. 05-80, RM-11160

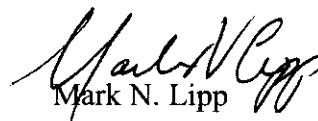

Dear Ms. Dortch:

CC Licenses, LLC ("CC Licenses"), licensee of Station WBVV(FM), by its counsel, hereby requests an additional extension of time to electronically file a construction permit application on FCC Form 301 to implement the rule making identified above. CC Licenses seeks leave at this time to file this request.

The Commission issued a *Report and Order* on June 24, 2005, in the aforementioned proceeding that amended the FM Table of Allotments to specify Channel 257C3 at Guntown, Mississippi and advised CC Licenses, as the licensee of Station WBVV(FM), to submit a minor change construction permit application to specify this new channel within 90 days of the effective date of the *Report and Order*. CC Licenses needs additional time to secure a new transmitter site location. Thus, CC Licenses respectfully requests a second sixty (60) day extension of time, until March 19, 2006, to file its construction permit application for Channel 257C3 at Guntown, Mississippi.

If there are any questions about this Request, please contact undersigned counsel for CC Licenses, LLC.

Sincerely,

  
Mark N. Lipp
